In 1972, Buddy and LaMuriel Smothers opened the first Buddy's Bar-b-q restaurant. Now their kids are running the show with 14 locations, full-service Buddy's Custom Catering, Bearden Banquet Hall, and Cafés at Oak Ridge National Laboratory and The Spallation Neutron Source in Oak Ridge.

The restaurants are still managed with Buddy's philosophy of treating customers as if they were guests in our own home. They are served delicious, always-fresh food at a real value with southern hospitality in a relaxed, family atmosphere.

Visit any of our family-owned or franchise store locations for award-winning Buddy's Bar-b-q served with southern hospitality.
